

To Parents and Students,

When ordering off the hot lunch form you **DO NOT** have to pick the special for that day, just cross out and put in another order in place of special and do price adjustment if needed. If students only want a drink and no food you can also just order a drink. If you pre-order a drink you can get a water, milk or small juice box for \$.75 or a smoothie for \$1.50 you can also add snacks to the forms as well done with added price to the meal. Muffin Tops, pretzel bags, nachos and salsa (without salsa .75) sunchips, Popcorn Bag, Homemade granola square, yogurt parfait and are all \$1.00 each, Voyageur Cookie .50 cents. Or you can just add snacks and no meal!!
