J. LEROUGE SCHOOL

STUDENT HANDBOOK

WELCOME TO ÉCOLE CAMILLE J. LEROUGE SCHOOL

Welcome to École Camille J. Lerouge. We are looking forward to a year of new challenges and experiences. We begin the school year by welcoming all our families to the 2019/20 school year.

This handbook is designed to provide a brief overview of life and expectations at École Camille. We encourage you to read through this handbook and become familiar with what is happening at our school. We expect to have a student population of approximately 780 and a staff of approximately 60. We offer a variety of curricular and extra-curricular programs to meet the needs of those in our school.

École Camille exists for two main reasons – to make Christ known to children and to educate children according to the School Act. As educators, parents and students, we work together in a spirit of Christian unity.

Our priorities for this school year continue to be:

- Teach foundations of Catholic beliefs.
- Strive for excellence in academic achievement.
- Continue to make our school a safe and caring place.

Please take every opportunity to visit our school. Your child will continue to grow and have wonderful memories of school with your involvement. We look forward to sharing our Christian journey with you.

Commitment to Catholic Education

In addition to regular Religion classes, the school promotes a commitment to the Catholic community through a variety of classroom, school wide and church celebrations (and masses). Sacramental preparation is done in cooperation with parents and the parishes in the following grades:

Gr 1 – Baptism Retreat

Gr 2 – First Eucharist and First Reconciliation

Gr 6 – Confirmation & Retreat

As part of the Religion Program, students in Pre K-Gr 9 receive family life education. The program stresses Catholic morality and encourages a keen understanding and respect for self and others.

French Immersion

Our French Immersion Program is an alternative education program, from Kinder-garten to Grade 9, available to families from across the city. Grade 10-12 French Immersion is offered at École Notre Dame High School. The main concept is to “immerse” the child in the French language during the school day. Formal English language art skills are introduced in Grade 3.

French Immersion gives children the opportunity to become fluently bilingual at a time in life when language is assimilated easily.

Camille J. Lerouge

On November 18, 1968, the high school Camille J. Lerouge Collegiate was opened in Red Deer. The school was named after Camille J. Lerouge. He was born in Lille, France in 1893 and moved to Red Deer in 1907.

Camille J. Lerouge served on the Catholic School Board for 34 years, first being elected in 1917. He was named secretary-treasurer in 1924 and held the position continuously until 1951. Mr. Lerouge also served on the parish council of Sacred Heart for many years. In 2003, our students helped Mrs. Camille Lerouge celebrate her 90th birthday.

SCHOOL INFORMATION

Absences/Late

All students must attend school as per the Alberta School Act. While the school makes courtesy calls home on unexcused absences, it is the parents' responsibility to notify the school when your child is absent from school. Our number 403-347-7830 is available 24 hours to take your call.

Accidents

Minor scrapes and cuts are treated in school. If there appears to be any doubt about the seriousness of an accident, parents are contacted. If we are unable to contact the parents, the school will use its discretion to get medical attention including calling an ambulance when deemed necessary.

Bill 10

Red Deer Catholic Regional School Division is committed to using the LIFE Framework as a guideline for the creation and operation of student groups that are comprehensive in their approach to inclusion and open to the exploration, in a Catholic context, of a variety of issues including bullying, sexual harassment, sexual orientation, gender identity, discrimination, justice, and respectful relationships and language. The LIFE Framework is the result of a provincial collaboration of Catholic school jurisdictions. Each of our schools may be organizing LIFE Framework/Diversity groups. They will keep their communities informed as these groups are established by placing notices in their newsletters/websites.

Bullying

Effective February, 2007, the City of Red Deer Community Standards Bylaw #3383/2007 defines bullying as: "Verbal or physical abuse, threats, taunts, teasing, name calling or repeated abusive communication, direct or through any medium whatsoever." Anyone, over the age of 12 years old, found guilty is liable for a fine of up to \$1000 and, in default of payment, imprisonment of up to 6 months. For more info, please see the bullying website:

<http://www.reddeer.ca/Keeping+You+Informed/Community+Standards+Bylaw.htm>.

The RCMP complaint line is 403-343-5575.

Bussing

All students who ride the bus are expected to cooperate with the driver for the safety of the passengers. Disorderly conduct, rowdiness, and lack of cooperation may result in bus privileges being removed. The following offences are grounds for immediate suspension of bus riding privileges:

1. Weapons of any sort; such as the use or carrying of knives, lighters, sticks, or any sharp object.
2. Drug usage or possession.
3. Vandalism to the bus.
4. Throwing items out the bus window.
5. Defiance with driver or other students.
6. Any form of harassment against other students.

These may include: various sports teams, skiing, cross-country running, jazz band, choir, Edge-faith leadership, Camille Ambassador Leadership Disciples, Healthy Relationships Group, Rainbows, Rosary Club and Aquathon.

NO STUDENTS ARE ALLOWED TO LEAVE THE SCHOOL GROUNDS AT ANY TIME DURING THE DAY UNLESS ON SCHOOL MATTERS AND ACCOMPANIED BY A TEACHER/SUPERVISING ADULT.

Parent(s) must personally sign out their child if the student must leave school for personal reasons. If your child is sick, the office will call to notify you. Except for school matters, ALL students must be signed out by their parent(s) at the office when leaving the school.

Please Note: Cell phones are used for in class work. Students wishing to call home MUST have permission from their teacher to either use student phones by the front office or to use their cell phone.

Cold Weather

Our students go out for recess rain or shine. During the temperatures of -22 to -25, it is possible that a recess would consist of 15-20 minutes outside, followed with 10-15 minutes indoors.

It is expected that all students dress appropriately for weather conditions. Please mark items such as snow boots, running shoes, mittens, coats, etc. so that a lost item may be returned to the student.

Camille's School Dress Code

All students at Camille J. Lerouge, both elementary and middle school, are expected to dress appropriately and in a manner that reflects we are a Catholic School. Failure to comply with dress code regulations will result in the following actions:

1. The students will be asked to cover up with an appropriate sweater, jeans, etc., or
2. The student will be asked to change into his or her gym strip, or
3. The student's parents will be contacted and the said student must go home and change into clothes that adhere to the school dress code.

Please check our website at camille.rdcrcs.ca for more info on Camille School's dress code.

Emergency Response Plan

Please refer to the Camille School website: camille.rdcrcs.ca for more information about our Emergency Response Plan.

Homework Requests

Students in every grade are encouraged to pick “homework buddies”. These are classmates who can be contacted if ever a day is missed due to illness, etc. In the case of a prolonged absence, parents may wish to contact the child’s teachers. It is helpful to inform staff ahead of time if there will be absences, due to vacations outside the regular time or prolonged illness. Students are asked to use their homework buddies and discuss with their teachers work missed when they return. It is difficult to assign work for material that has not been taught.

Please Note: For regular homework information in grade 6-9 please refer to the designated homework calendar for your child’s class on our school website.

Honour Roll is an average of 80% comprised of the five core subjects and Religion (English LA, French L.A., Math, Science and Social Studies). No mark in any course can be lower than 70% and Proficient in all CLS and PE classes. Students are recognized each term with a letter home.

Learning Commons (Library)

As we work to build the twenty-first century learning skills ... collaboration, creation and communication ... the Learning Commons concept takes libraries that one step further to support digital students and learning.

How is a Learning Commons different from the traditional school library?

Traditional school libraries are seen as quiet places full of printed books, people reading and librarians ‘shushing’. A Learning Commons takes school libraries into the 21st Century. Yes, we still have printed text, and there are still people reading and taking out books each week, and there is still a librarian, however the Learning Commons has so much more! There is a hum of activity with students talking, learning, searching for information on a variety of devices, focusing on content creation and synthesizing of information. The Learning Commons at Camille also houses a variety of makerspaces and a Lego wall. A **makerspace** is a place for informal and self-directed learning that provides a workspace for students to tinker, try out solutions and work together to learn from each other. Volunteers are always needed in our Learning Commons. Please let our Librarians know if you would like to join their team!

Medical Concerns

For your child’s safety, please fill out the Medical Release/Medication Form at the office if you have any medical concerns.

Mobile Phones

Mobile phones are to be ‘off and away’ in lockers during all class times. If any phone is seen or heard in class, the student will be asked to take their phone to the office. This will include phones tucked in clothing, in bags, or in binders.

Confiscated phones will be returned to students at the end of the day in the first and second instances. Should there be a third occurrence, a call will be made home requiring a parent/guardian to collect the child's phone.

Students are still able to use their phones prior to school, during lunch, and after school. We would appreciate it if you would contact your child during these times. The new restrictions are in place at all other times including locker breaks.

Parental Involvement

Parent involvement is supported and encouraged. We believe that such involvement in the education process assists in increased student achievement and success.

There are many opportunities for parents to play a significant role in their child's education. Involvement is encouraged in any of the following areas:

- Attending school functions,
- Providing a supportive learning environment at home,
- Volunteering for work committees and projects,
- Volunteering for school and social justice activities,
- School Council involvement,
- Providing positive support and good public relations for the school,
- Communicating openly with the school.

If you are interested in volunteering, we would like to hear from you. Volunteer forms (available at the office) as well as a current Criminal Record Check are required.

We encourage your participation in the School Council by way of an executive representative or as a classroom representative or by attending the regular meetings.

Phone Calls to the School Office for Student Messages

Due to the increased number of students at Camille J. Lerouge School, the office may not be able to relay a message to students in a timely manner. Please ensure that arrangements involving appointments, transportation, etc. are made clear to your child/children before coming to school.

Red Deer Child Care Society

Before and After School Care Program

At Camille, our School Age Program operates a before and after school care program. Fun, action-packed day programs are also offered during all Professional Development Days. Programming provides for the active needs of children ages 4.5 to 12 (Grades K-6) in their out of school hours – mornings from 6:45 am and after school until 6:00 pm. In addition to regular before and after school care, Red Deer Child Care Society also offers full day programs which are available during breaks such as Christmas, Easter and summer. To register or to obtain more information about the program, please call:

Jennifer Winters: 403-347-7973 (Ext. 111) jwinters@reddeerchildcare.ca or

Safe & Caring School

It is the intention of our staff to guide students in a positive manner towards self-discipline and self-control.

Our approach tries to:

- promote appropriate behavior, and
- encourage an awareness of actions and an acceptance of responsibility for these actions.

With this in mind, we will strive to maintain those behaviors which:

- enhance the self-worth of the student,
- provide a respectful, engaging learning environment,
- ensure the safety of the students,
- recognize the rights of students, teachers & parents, and
- encourage the development of self-discipline.

Parents & Visitors:

We ask that all parents and visitors enter through our main doors **only** and immediately check in at the office. In keeping with our Safe and Caring Policy, we also ask that you remain in the foyer area while waiting to pick up your child.

School Counselling Team and Family School Enhancement Counsellor

Referral of students can be done by teachers, parents or students themselves. Referrals can be directed to the counsellors via the school staff, by telephone, or by e-mail. Counsellors refer to outside agencies, dependent on the students' needs.

The counsellors are available to come into the classrooms as needed and requested by teachers. School counsellors develop programs such as orientation to high school (grade 9), orientation to middle school (grade 5), suicide prevention (grade 8), Zones of Regulation (K-5), iMind, Rainbows, etc. As well, group counseling support is offered on an 'as need' basis for children of divorce or grief. Please contact the school if you have any questions.

Security of Personal Items

Students are asked to leave valuables at home and, when possible, to use cheques and not cash to pay for school fees, etc. Students must provide their own combination locks. (NO KEY LOCKS PLEASE.) Students are NOT to share their combinations. When attending sporting events, whether participating or being a spectator, students should lock their possessions. **The school is not responsible for lost or stolen items.**

As per Admin Procedure 314: Student lockers belong to the school, not to the student. Since students have been made aware that school lockers are the property of the school, the locker is subject to search at any time, without notification, by any personnel associated with the school or by persons representing other authorities, including the police.

Smoking/Vaping

Red Deer Catholic Schools' policy prohibits smoking in the school, on the school grounds, on a school bus, or while at a school function. Cigarettes, smokeless tobacco, and electronic cigarettes are prohibited at school.

Specialized Services

École Camille J. Lerouge School will, on occasion, contract a firm specializing in educational testing and counselling. Students experiencing learning or behavioral problems may be recommended for testing or counselling. Qualified educational psychologists or other experts who have training in specialized assessment methods will be doing the testing. A parent consent form must be signed before testing takes place. The student is tested in the school and then a written

report is forwarded to the school by the assessor. When the written report is completed, the psychologist, parents and teachers have a case conference to discuss test results and determine appropriate follow-up programming for the student.

Sports – Les Voyageurs

École Camille J. Lerouge School has adopted the name “Voyageurs” for its sports teams. School colors are white, black and royal blue. The Canadian voyageur is unique in the pages of history. The term “Voyageur” is synonymous with the spirit of adventure, the thrill of a challenge, dedication, perseverance, hard work, pride of achievement, teamwork and the pursuit of a vision. It is through their efforts that Canada’s frontier regions were explored. The Voyageur logo depicts a voyageur crew in their canoe pitting their skills against a tumultuous river.

École Camille J. Lerouge offers students the privilege of participating in inter-school sports. The VOYAGEURS are involved in volleyball, basketball, badminton, track & field, and football. Our athletic teams are always very successful in their leagues.

Fees will be charged to athletes in order to offset travel and team expenses. The fees will be charged to each senior, junior and bantam team member as well as badminton players. In addition, a uniform deposit will be charged in the form of a postdated cheque which will be returned when the uniform comes back.
