If your child will be taking the bus to and from school, you must register on line prior to June 15th! You must know your child's bus number before the first day of school. Your child's bus driver will contact you with bussing info a few days prior to school starting. Please have your child's bus number pinned onto his/her coat for the first weeks of school so that we can easily place your child on the correct bus after school.

If you DO NOT know your child's bus number on the first day of school, please plan to pick up your child as we are unable to answer phone calls on the first day of school and we are unable to contact Transportation on the first day of school.

Thanks!
