Principal Report - Sinead

- Holy Doors of Mercy has finished with significant donation to several organizations. The parents and students of our school were generous in a big way.
- Sinead is working on some learning for materials for the Conclave for the school.
- School update - planning for 2025-2026: projected of 618 students. The budget approval is still in the works, as there is an Assistant Superintendent vacancy at the school district.
- Next week is world teacher day. Sinead wondered if the Staff Appreciation committee would be willing to organize a cart with treats (May 7th).
- Thank you to the poutine volunteers.
- Our buddy bench has been damaged. We will investigate the cost of repair/replacement – get a plaque in honour of Mr. Pat, who passed suddenly in June. Renee suggested looking at the city of Red Deer site for their bench information.
